International Communist Travel Movements

1. With reference to your memorandum of 13 June concerning references on International Communist Movements, there is attached hereto a list of references compiled as a test run by the ONE Committee on International Communism, for the period between 16 and 30 June. The second test period has begun on 3 July and will end on 14 July. As agreed upon, no reference has been made to SO documents and [redacted] STATSPEC reports.

2. In order to determine whether or not the compilation of references should be continued temporarily or indefinitely, your appraisal of the value of such reports is requested.
